

Introducing the On-line Jewelry Fundraiser for the Fort Rucker Community Spouses' Club

This eFundraiser requires minimum effort on our part and absolutely no costs to our club. The eFundraiser offers our community a unique approach to fund raising. Customers can obtain jewelry at an affordable price with **GREAT VALUE**. The jewelry also comes with a no-questions asked guarantee. The on-line customers also get to take advantage of the \$12 Customer Discount Program while our club earns the much needed funds.

How it works:

Customers make online jewelry purchases using an [online shopping cart](#). In the name field of the order form they will need to type in "**FRCSC**" in parenthesis along with their name. This will identify their jewelry order with the Fort Rucker Community Spouses' Club Fundraiser and 25% of their net sales (net sales do not include taxes, transportation & insurance, or the \$12 discounted bonus items) will go to our fundraiser. Each month we will receive a check and a report of our associated sales. All we need to do is spread the word for folks to go to our website and click on the flier link that says "[Online Jewelry eFundraiser](#)". They will then be redirected to a web-page that provides instructions and a link to the online shopping cart. There are also color catalogs on the website as well.
